**Re: Auction 73 Application of King Street Wireless, L.P. (File No. 0003379814)
Request for Extension of Time To File Response**

Dear Mr. Gutierrez:

By letter dated April 14, 2009, the Commission provided your client, King Street Wireless, L.P. ("King Street"), with an opportunity to respond to the allegations raised in the First Amended Complaint in U.S., *ex rel.* [REDACTED] v. Carroll Wireless, L.P., *et al.* (D.D.C. filed Jan. 14, 2009). We requested that you provide a written response and any supporting documentation that you deem pertinent in responding to these allegations no later than May 4, 2009.

By letter dated May 1, 2009, you requested an extension of four days, until May 8, 2009, in which to submit King Street's response. You state that in order for King Street to provide the Commission with a complete and accurate response, considerable coordination with non-communications counsel is required. In addition, you state that King Street must search through years of records in order to provide appropriate supporting documentation.

The Wireless Telecommunications Bureau hereby grants your requested extension of time, until May 8, 2009, in which to file the King Street response. We find that grant of the requested extension of time would further the public interest.

Sincerely,

Katherine M. Harris
Deputy Chief, Mobility Division
Wireless Telecommunications Bureau
